

Alam Ali

DOB: 19/03/1996

Post Doctoral Fellow
Department of Statistics and Data Science, IIT Kanpur
Kanpur, Uttar Pradesh-208016, India
☎ +91-7388779377
✉ alam2ali1996@gmail.com

Current Affiliation

I am currently working as an Institute Post Doctoral Fellow in the Department of Statistics and Data Science at Indian Institute of Technology Kanpur, India. This position allows me to learn the expertise of my field and make meaningful contributions to academia.

Experience

- Present **Post Doctoral Fellow**, *IIT Kanpur, Kanpur, Uttar Pradesh, India*
Advisor: Prof. Satya Prakash Singh.
- 2026 **Assistant Professor**, *MIT MAHE Manipal, Karnataka, India*
- 2025 **Post Doctoral Associate**, *IIT Bombay, Mumbai, India*
Advisor: Prof. Siuli Mukhopadhyay.

Education

- 2025 **Ph.D. in Statistics**, *Central University of Punjab, Bathinda, India*
Thesis Title: On Copula-Based Regression Estimation.
Thesis Advisor: Dr. Ashok Kumar Pathak.
Thesis Defense Date: 27/01/2025.
Course Work CGPA: 7.80
- 2018 **M.Sc. in Statistics (71.8%)**, *University of Lucknow, Lucknow, Uttar Pradesh, India*
- 2016 **B.Sc. in Mathematics (71.2%)**, *University of Lucknow, Lucknow, Uttar Pradesh, India*
- 2013 **Intermediate (89.6 %)**, *S T Xavier I C Bakshi-Ka-Talab, Lucknow, Uttar Pradesh, India*
- 2011 **High School (81%)**, *S T Xavier SCH Bakshi-Ka-Talab, Lucknow, Uttar Pradesh, India*

Areas of Interest

- Regression Analysis
- Copulas
- Distribution Theory
- Statistical Inference

Submitted Papers

1. **Ali, A.**, Sheikhi, A., Jangir J., Sharma S. (2025). A Multicollinearity Diagnostic with Copula Dependent Random Variables in Multiple Linear and Path Analysis Models. *Submitted*.

Working Papers

1. **Ali, A.**, Singh, S.P., Pathak, A. K., Sheikhi, A. (2026). Heteroscedasticity Diagnostic in Recursive Path Models: A Copula-Based Approach.
2. **Ali, A.**, Sheikhi, A. (2026). Copula-Based Inference for Dependence Censoring in Cure Models.

Awards/Fellowship

- 2026 Institute Post Doctoral Fellowship in Statistics.
- 2023 International Travel Award to Attend the Bayesian Nonparametric Networking Workshop co-sponsored by the Monash University Department of Econometrics and Business Statistics and the Nonparametric Section of the International Society for Bayesian Analysis (ISBA).
- 2021 Inspire Fellowship Award in Statistics.
- 2014 Inspire Scholarship Award in Mathematics.
- 2021 Qualified Indian Council of Agricultural Research (ICAR) in Statistics.
- 2020 Qualified Graduate Aptitude Test in Engineering (GATE) in Statistic.

Software Skills

- R-Software
- SPSS
- MATLAB

Presented Articles in Conference

1. Presented an article titled **“Copula-Based Regression Estimation in the Presence of Extreme Observations”** in the International Conference on Recent Advances of Probability and Statistics in Interdisciplinary Research (RAPSIR) organized by Department of Statistics, University of Allahabad, Uttar Pradesh, India, during period February 06-08, 2024.
2. Presented an article titled **“Parametric Estimation of Elliptical and Archimedean Family of Copulas: A Comparative Study”** in the International Conference on Statistical Theory and its Applications (ICSTA) organized by Department of Statistics, Bharathiar University, Tamil Nadu, India, during period September 01-02, 2023.
3. Presented an article titled **“Coverage Rate and Confidence Interval in Copula Estimation”** in Silver Jubilee (Annual) International Conference of the Society of Statistics, Computer and Applications (SSCA), organized by Department of Statistics, University of Jammu on “Significance of Statistical Sciences in the Emerging Scenario”, during period February 15-17, 2023.

Workshop/Webinar Participation

1. Seven-day high-end workshop on **“Statistical Modelling in Ranking and Selection”**, organized by Department of Mathematics, Indian Institute of Technology Indore, India, during period January 18-24, 2024.
2. Six-day Workshop on **“Big Data Analysis through Copula”**, organized by Department of Mathematics & Computing, Indian Institute of Technology (Indian School of Mines) Dhanbad, India, during period December 11-16, 2023.
3. National Seminar on **“Perspectives of Data Science”**, organized by Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology on June 05, 2023.
4. Two day Workshop on **“R Programming for Research”**, organized by Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Chennai, during period May 29-30, 2023.
5. International Webinar on **“Big Data and Official Statistics in Africa”**, organized by International Association for Official Statistics (IAOS) on Oct 6, 2022.
6. International Webinar on **“Current State of Econometrics and Career Prospects of Young Minds”**, organized by Department of Statistics, Central University of Rajasthan on Sept 12, 2022.
7. **“International Congress of Mathematicians (ICM)”**, organized by International Mathematical Union(IMU), during period July 6-14, 2022.
8. National Workshop on **“Ancient Indian Mathematics”**, organized by the Department of Mathematics and Statistics, Central University of Punjab, Bathinda, India, during period March 14-16, 2022.
